

GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

Energy Department - APNPDCL – Formation of new Division at Husnabad by Bifurcating of existing Karimnagar Division with new Division, Husnabad and also formation of new Sub-Division at Bejjanki –Orders- Issued.

G.O.Ms.No. 33
Energy (Services) Department

Dated: 03-07-2013
Read :

From the CMD, APNPDCL, Lr.No.CMD/CGM(hRD)/JS/AS-Estt/PO-A/42/A1/12, dated 21.02.2013.

ORDER:

The Chairman & Managing Director, APNPDCL in his letter read above, has stated that Karimnagar is the biggest operation division in APNPDCL. It consists of 6 sub-divisions, 23 operation sections and 3 EROs. It caters to 3,40,672 consumers of which about 1 Lakh consumers pertain to Karimnagar town. The division operates through 3,603 KM of 11 KV line, 10,385 KM of LT line and 15,528 DTRs. In addition to the large growth in urban / agricultural consumer base, Karimnagar Division also handles the responsibility of manning and operating all 33/11 KV Sub-Stations of Siricilla RESCO. Hence overall operating and manning 100, 33/11 KV Sub-Stations. Thus operationally the geographical area to be administered is also one of the highest across state. Further, the AT&C losses in Karimnagar town are on the higher side and it is becoming difficult to keep pace with the growing need for new connections in face of limited staff and spread of responsibility and it has become difficult to live up to consumer expectations of a burgeoning urban consumer base and balance it with the growing needs to farmers in far flung southern region of the district.

2) The Chairman & Managing Director, APNPDCL, Warangal further stated that the town of Husnabad within Karimnagar Division is located in a backward area at a distance of 50 KM from district headquarters. Villages within Husnabad, Koheda and Thotapally Mandals are located in fringe areas bordering Medak and Warangal Districts. The livelihood of this area is predominantly based on agriculture. There are no irrigation canals in this area and the farmers are resultantly dependent only on electricity for irrigation needs and he has proposed to form a new division with head quarter at Husnabad duly bifurcating existing Karimnagar division. This would operationally help on two counts:

1. Better supervision and provision of services in and around the growth center of Karimnagar town

2. Enhanced proximity and dedicated resources / staff for ensuring quality supply / services in predominantly tribal / non-ayacut agricultural area of mandals lying along inter district boundary.

3) The formation of new division at Husnabad and new Sub-Division at Bejjanki will help 32,249 agriculture consumers in the proposed new Division. The proposed new Division shall include (2) Sub-Divisions namely Husnabad, and Bejjanki. Structure of the operation Division, Karimnagar before bifurcation and the structure of Opn. Division, Karimnagar and Husnabad after bifurcation will stand as follows.

P.T.O

KARIMNAGAR OPERATION DIVISION AFTER BIFURCATION
(services : 235000 Nos/Demand: 811.63 Lakhs)

| 3. Chigurumamidi | 3. Koheda |

ERO, Husnabad
(87097/98.09)

Boundaries / Jurisdictions are marked on Map.

4) The Chairman & Managing Director, APNPDCL also stated that the proposals were placed before the Board of APNPDCL in its 68th meeting which accorded approval for formation of new division at Husnabad duly bifurcating the existing Karimnagar Division along with formation of new Sub-division at Bejjanki.

5) In the circumstances stated above, the Chairman & Managing Director, APNPDCL has requested the Government to communicate the orders for bifurcation of the existing Karimnagar division with Division HQ at Husnabad and for creation of new Sub-Division at Bejjanki and for creation of 17 additional posts in APNPDCL.

6) Government after careful examination of the proposal of the Chairman & Managing Director, APNPDCL, hereby accord for formation of new division at Husnabad by bifurcating existing Karimnagar Division and also formation of new Sub-division at Bejjanki with the condition to redeploy existing staff to New Division.

7) The Chairman & Managing Director, APNPDCL, Warangal shall take necessary action accordingly.
